

Madhvi Pethani

React.js Developer | MERN Stack Developer

✉ madhvipethani856@gmail.com | ☎ [+919824613847](tel:+919824613847) | 📍 Surat | 🌐 <https://github.com/Pethani847>

Summary

BSc IT graduate and self-driven MERN Stack developer, currently learning and improving full-stack web development skills through project-based learning and hands-on practice. Seeking industry experience to apply technical knowledge in real-world applications while continuing to grow as a developer. Previous experience as a Data Entry Executive involved managing stock updates and inventory records using Excel, Google Sheets, and OMS software.

Projects

Personal Portfolio

- Developed a fully responsive personal portfolio website using React.js and Tailwind CSS.
- Implemented smooth animations and interactive user interface using Framer Motion to enhance user experience.
- Developed a Node.js and Express.js backend with MongoDB to store and manage contact form submissions.
- Deployed website on Vercel and use Render for backend.
- Tech used: React.js, JavaScript, Tailwind CSS, Framer Motion, Node.js, Express.js, MongoDB, Vercel, Render

- Excel & Google Sheets

Experience

Satrani Fashion	Surat
Data Entry Executive	2024-2026
• Maintained accurate data entry and ensured smooth inventory operations for Leemboodi and its sister brands. • Managed product inventory and stock updates using Microsoft Excel, Google Sheets, and OMS software. • Coordinated with vendors through WhatsApp and calls to confirm product availability and stock status. • Checked 7-day and 30-day sales reports to understand product demand and decide whether products needed restocking or not. • Updated and managed product stock for online marketplaces like Amazon, Flipkart, Myntra, Meesho, and Ajoio. • Maintained and organized multiple operational spreadsheets, reports, and inventory data, improving workflow efficiency and reducing senior team workload by approximately 25%.	
Hare Krishna Fashion	Surat
Accountant	2023-2024
• Managed daily cash flow transactions to ensure financial stability • Executed data entry tasks using Excel and Google Workspace for accurate record-keeping • Worked on accounting software like Alinebook and Khatabook
